

Q1 Please indicate whether your property is located on a Provincial, County, Township or Private road:

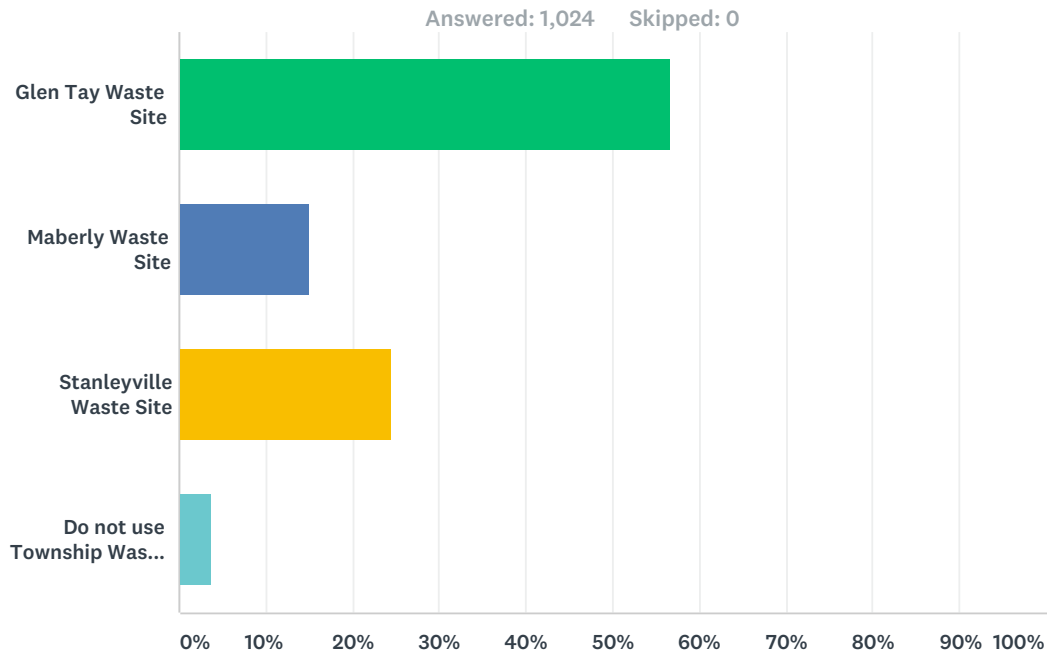

Answer Choices	Responses
Provincial Road (Highway 7)	1.17% 12
County Road (Althorpe, Christie Lake, Fallbrook, Scotch Line, McDonalds Corners, Narrows Lock, Bennett Lake, Elm Grove, Bolingbroke, Maberly-Elphin, Highway 511)	17.48% 179
Township Road	33.20% 340
Private Road	48.14% 493
Total	1,024

Q2 Please indicate whether you are a permanent resident, seasonal summer resident or seasonal weekend resident:

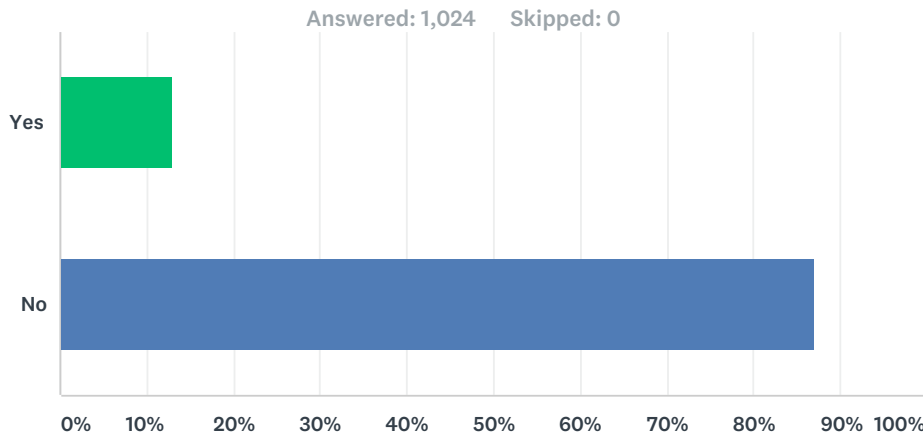

Answer Choices	Responses	
Permanent Resident	64.16%	657
Seasonal Summer Resident (majority of the summer, week long stays)	27.25%	279
Seasonal Weekend Resident (occasional cottager, weekender)	8.59%	88
Total		1,024

Q3 Please indicate which waste site you currently use for household waste and recycling:

Answer Choices	Responses
Glen Tay Waste Site	56.74% 581
Maberly Waste Site	15.14% 155
Stanleyville Waste Site	24.41% 250
Do not use Township Waste Sites	3.71% 38
Total	1,024

Q4 Are you in favour of implementing waste & recycling collection in Tay Valley Township?

Answer Choices	Responses
Yes	12.99% 133
No	87.01% 891
Total	1,024

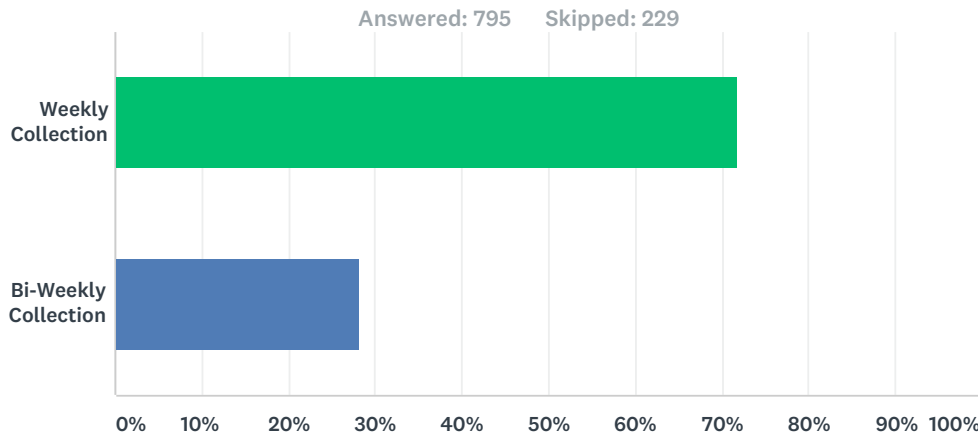

Reasons for:

- Convenience
- Time saving (not driving to the dump means more time spent with family)
- No longer drive and have to rely on others to take my waste to the landfill for me

Reasons against:

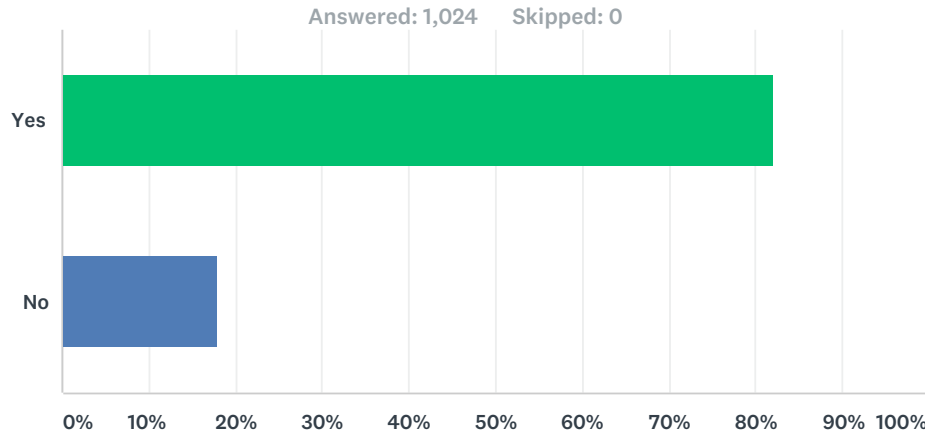

- Current system works just fine, if it ain't broke don't fix it
- Garbage all over the road sides
- Too expensive, don't want increase to taxes
- Animals (bears, raccoons, skunks, barn cats, dogs, birds) will get into the garbage
- Smell/odor
- Doesn't work for private roads
- Hard to have it out at the roadside at the right time
- Snowplows will interfere
- Uncontrolled/illegal dumping and not able to police it properly (people will leave toxic waste, mattresses, etc. at pickup locations)
- Traffic slowdowns
- Won't always be there on the day of collection

Q5 If collection is implemented, would you prefer weekly or bi-weekly collection?

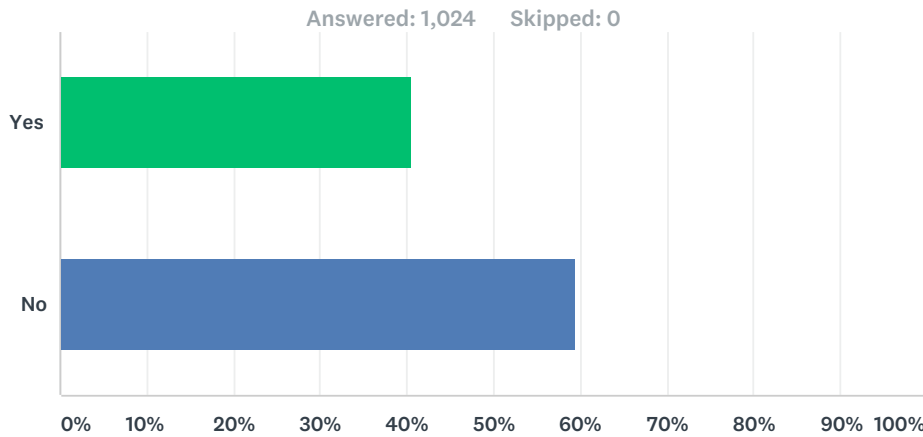

Answer Choices	Responses
Weekly Collection	71.82% 571
Bi-Weekly Collection	28.18% 224
Total	795

Q6 Do you currently use the Re-Use Centre?

Answer Choices	Responses
Yes	81.93% 839
No	18.07% 185
Total	1,024

Q7 Would you continue to use the Re-Use Centre at the Glen Tay Waste Site if your waste and recycling was collected?

Answer Choices	Responses
Yes	40.53% 415
No	59.47% 609
Total	1,024

Q8 What do you like about the current waste and recycling system?

Answered: 908 Skipped: 116

- Status Quo
- Convenience, proximity and flexible hours (can drop garbage off on my time, more often in the summer when hot)
- Garbage is in one place and not scattered all over the neighborhood (no concern about garbage attracting animals)
- Friendly and helpful staff
- Social aspect
- Keeps taxes down
- Efficient, clean & tidy
- The Re-Use Centre
- Educational, community involvement (makes residents more aware of the amount of waste & recycling they produce)
- Exchange program
- Environmental impact
- Well organized

Q9 What do you not like about the current waste and recycling system?

Answered: 759 Skipped: 265

- Nothing, if it ain't broke why fix it
- Would like more open hours (there is no evening hours)
- There doesn't need to be 4 days of garbage drop-off
- Clear bag requirement
- No hazardous waste facility, Middleville is very far away
- Glass is not recycled
- Do not accept brush at Glen Tay Waste Site
- That tetra paks, Styrofoam, plastic bags and cartons aren't recycled
- No ramps, the waste, metal and construction bins should be lower
- Bins need more frequent dumping
- That an outside company picks up the bins of scrap metal and recycling
- Some days Glen Tay is understaffed
- Traffic congestion and site layout at Glen Tay
- Inconvenience (Takes time out of what precious little time we have to spend with family to make a trip to the dump)
- The fact that we must take our own garbage to the dump. It's the 21st Century, it's about time the Township joins in
- Requires loading a car and driving to the site
- No pickup

Q10 What changes would you like to see?

Answered: 774 Skipped: 250

- Nothing
- Later hours on Sundays (cottagers)
- Buy an incinerator
- Larger Re-Use Centre (Improved Re-Use Centre at Stanleyville)
- Hazardous Waste Days (Middleville is too far away)
- Open Fridays, later hours 1 week night, Sunday evenings in the summer, Sundays all year round.
- Open less hours
- No requirement for clear bags
- Improved parking
- Recycle glass, cartons, plastic bags & wrap, Styrofoam
- Accept brush at Glen Tay Waste Site (Chip it on site for cover)
- Waste bins lowered
- 2 stream recycling - less sorting

- Would love to see collection become a reality
- Garbage pickup (My time has value)

Q11 Please provide the following information:
