

**THE CORPORATION OF TAY VALLEY TOWNSHIP AND
THE TOWNSHIP OF LANARK HIGHLANDS
REHABILITATION OF IRON MINE ROAD
CONTRACT #2020-PW-003**

ADDENDUM NO. 1

**THIS ADDENDUM SHALL BE INCORPORATED INTO THE TENDER PACKAGE
AND SHALL FORM PART OF THE CONTRACT DOCUMENTS**

Date Issued: March 17, 2020
Issued By: Amanda Mabo, Clerk

Please note the following changes, corrections, additions, deletions, information and/or instructions in connection with the Tender Package. Failure to acknowledge receipt of this Addendum as per Part "A" – Information to Bidders may render your submission non-responsive.

This addendum is to address the following questions and/or clarification:

Clarification:

The Contract closing date shall be extended until further notice. An additional addendum will be issued at a later date with a new closing date.

Questions & Answers:

Q1: The culverts on this contract it states that you require geotextile inside the coupler? This is not a normal procedure due to the fact that the couplers are not sized to allow this to be easily done. Normally the Geotextile is wrapped around the outside.

A1: Yes, geotextile shall be installed inside the coupler.

Q2: Will our aggregate be acceptable to bid the job, or will it have to be Black Granite or Dark Grey Limestone?

A2: No colour or type of aggregate material is specified in Contract Documents and therefore all colours and types will be acceptable as long as the aggregate meets the specifications of the Contract Documents and application Ontario Provincial Standard Specifications (OPSS).

End of Addendum No. 1
