- (i) resides in the local municipality or is the owner or tenant of land in the local municipality, or the spouse of such owner or tenant;

PRELIMINARY LIST OF ELECTORS (PLE) (SECTION 19)

The Preliminary List of Electors (PLE) supplied by the Municipal Property Assessment Corporation (MPAC) shall be delivered to the Clerk by July 31, 2018 if no date is agreed upon with MPAC or prescribed by the Minister [Section 19 (1.1)].

The PLE shall contain the name and address of each person who is entitled to be an elector and any additional information the Clerk needs to determine for which offices each elector is entitled to vote, such as school support [Section 17 (4)].

In addition, if the local municipality is divided into voting subdivisions, the name of each resident elector shall be entered on the PLE for the voting subdivision in which he or she resides and the name of each non-resident elector shall be entered on the PLE for the voting subdivision in which the elector or his or her spouse is an owner or tenant of land [Section 17 (5)].

The Clerk shall, to the best of his/her ability and legislative authority, ensure that an elector's name appears on the PLE for a local municipality only once [Section 17 (6)].

Where a voter qualifies at more than one location in the municipality, the voter may vote only **once** for each office and the qualifying address to determine eligibility for voting shall be the elector's place of residence [Section 17 (7)].

It is possible for an elector's name to appear on the Voters' List of more than one municipality. That elector may be eligible to vote in both municipalities. For example, a person listed as a resident elector in one municipality and a non-resident elector in another municipality is entitled to vote in each, provided they are not voting for the same office more than once. For example, School Board votes must be cast in the municipality where the elector resides.

CORRECTION OF ERRORS (SECTION 22)

The Clerk shall correct any obvious errors in the PLE prior to September 1, 2018 and notify the Municipal Property Assessment Corporation (MPAC). This notification can occur when the "Final List of Changes" to the Voters' List is sent to MPAC after the election (see the Final List of Changes section below). However, those changes affecting a ward and voting place designation, missing streets, buildings or subdivisions, should be forwarded to MPAC in time for inclusion in the September Exceptions files that MPAC provides. Notification to MPAC should be sent in an email to the municipality's Municipal Relations Rep.

The Clerk may use any information that is in the municipality's custody or control when correcting the PLE for obvious errors [Section 22 (2) and (3)].

CERTIFICATION OF VOTERS' LIST (SECTION 23)

The corrected PLE becomes the Voters' List once it is reproduced and identified with a "Voters' List Cover Sheet" Form LC08 on or before September 1, 2018.

The Clerk, may place in a local newspaper(s) on or before September 1, 2018 a "Notice of the Voters' List" (Municipality) Form LC09A as attached and/or all Clerks in Lanark County may place in a newspaper having general circulation within Lanark County, a "Notice of the Voters' List" (Lanark County) Form LC09B.

REQUESTS FOR COPIES OF VOTERS' LIST [SECTION 23 (3), (4) and (5)]

Upon written request, but not until September 1, the Clerk shall give every candidate a copy of the part of the Voters' List that contains the names of the electors who are entitled to vote for that office. For example, if a candidate is running in Ward 2, they only receive the part of the Voters' List pertaining to Ward 2, not the entire Voters' List. Each candidate will be required to sign the "Declaration of Proper Use of the Voters' List" Form LC10.

The use of the Voters' List shall be in accordance with the "Policy for Use of the Voters' List" Form LC11.

ACCESS TO THE VOTERS' LIST [SECTION 88 (10) and (11)]

The legislation states that the Voters' List cannot be posted in a public place and can be used only for election purposes.

Due to MFIPPA, details about another person, other than the person an Election Official is speaking with, should not be provided, including whether or not the individual is on the Voters' List. The procedure, "Voters' List – Are you on the Voters' List?" **Form LC51** shall be used by Municipal Staff and Election Officials.

AMENDMENTS TO THE VOTERS' LIST (SECTION 24 & 25)

Application for Change of Own Name (Section 24)

PUBLIC INFORMATION SESSION

A public information session will be held for the purpose of explaining the method of voting and responding to questions from the electorate. The date and time will be advertised in a local newspaper and on the municipal website.

The Clerk may coordinate the public information session, notices and advertisements with other municipal clerks of local municipalities who have adopted a similar alternative voting method.

VOTING PLACES (SECTION 45)

For the purposes of elections conducted with alternative voting methods, a voting place is not required. Alternatively, the Municipal Office has been identified as a Help Center to assist electors with the voting process and the Municipal Office has been identified as a Revision Centre to make additions, deletions and corrections to the Voters' List and to provide assistance and clarification on the election process.

REVISION CENTRE/HELP CENTRE

The Voters' List shall be available to Election Officials at the Revision Centre in electronic format to accommodate the voting process.

The Revision/Help Centre shall be established at the Municipal Office located at 217 Harper Road, Perth.

The Revision Centre shall be responsible for the following:

- a) Eligible voters who attend at the Revision Centre and are not on the Voters' List will be added to the list by filling out an "Application to Amend Voters' List" **Form EL15** and providing proof of identity and residence as prescribed in *O. Reg. 304/13*. Their names will be added to the Voters' List and they will be assigned and delivered a Voter Information Letter containing a PIN; however, for additions to the List made after September 15, 2018, the Voter Information Letter containing a PIN will be provided to the individual.
- b) Eligible voters who attend at the Revision Centre will be able to request a replacement Voter Information Letter and PIN under certain circumstances:
 - i) where a person on the Voters' List has lost/not received his or her Voter Information Letter and the PIN has not been used, he or she can attend the Revision Centre and prove to the satisfaction of the authorized Election Official that they require a new PIN. The authorized Election Official will disable the elector's assigned PIN and electronically mark it in the system as having been lost/not received. Upon providing proof of identity and residence as prescribed in *O. Reg. 304/13* to an Election Official, an oath on "Application for Re-Issue of a Voter Information Letter (Lost and Unused)" **Form LC42** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued.
 - ii) where a person on the Voters' List has attempted to vote and their PIN has already been used, he or she can attend the Revision Centre and prove to the satisfaction of the authorized Election Official that they did not vote the PIN and require a new PIN.

Prior to issuing a new PIN, the Election Official shall advise the elector that once the new PIN has been assigned, the elector must vote immediately at the Help Centre. Upon providing proof of identity and residence as prescribed in *O. Reg. 304/13* to an Election Official, an "Application for Re-Issue of a Voter Information Letter (Used by an Impersonator)" **Form LC43** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. The elector will be directed immediately to the Help Centre where telephone/internet access is available to eliminate any further misuse of the PIN.
- c) Answering election questions, and referring detailed questions to the Returning Officer or authorized Election Official.

CANDIDATES MODULE

The candidates shall receive login ID(s) and password(s) allowing them to access the Candidates Module as of September 29, 2018 to view the List of Electors.

When using this authorization, candidates can connect into the voting system and review elector list information to discern which electors have participated in the election. This capability **does not** provide the candidate information on how an elector has voted, it only provides information on whether or not they have participated in the election.

Candidates may view this information at any time after the start of the voting period using the Candidates Module.

VOTING

Voting will commence on October 15, 2018 at 8:30 am through to October 22, 2018 at 8:00 pm.

During the Voting Period, the Help Centre will be open Monday to Friday, during office hours, and on Voting Day between the hours of 8:30 a.m. and 8:00 p.m. At 8:00 p.m. the doors of the Help Centre shall be locked and those in the Help Centre will be permitted to cast their ballot. Touch-tone telephones and internet access is provided. Any telephone provided at the Help Centre shall delete any display options on the telephone.

Prior to the activation of the system by Intelivote, on October 15, 2018 (8:30 a.m.), Intelivote shall allow access by the Auditor to the voting system at the Municipal Office between 8:20 a.m. and 8:29 a.m. by secure ID and password, for the purposes of ensuring that all candidates' names are listed and that no votes have been cast. The system will not be activated until confirmation that all the counts associated with each of the candidate(s) names indicate a "0" total.

Candidates or their scrutineer may be present to verify and ensure that all totals of votes cast are at "0" and shall be required to sign the "Activation of Intelivote System" Form LC44 that attests to this fact.

Eligible electors may telephone a designated 1-800 number to cast their vote by using a cellular or land line, touch-tone telephone but **not a rotary dial telephone**. "Diga-pulse" telephones will be able to access the system providing the over-ride button on the telephone is set to a "touch-tone" mode. Should the elector be unable to access the system, the interactive response system will provide an error message requesting that the eligible elector obtain assistance from an Election Official.

Alternatively, eligible electors will be able to access a designated internet address and cast their vote(s).

A voter must complete the races and questions in the order that they are presented by the system. The voter cannot skip a race or question.

If a voter chooses, they may use one method to vote some of the races or questions and use the other method to vote the remaining races or questions. However, once a voter has voted on a particular race or question, that race is closed and will not be available for voting again, regardless of the method.

Once a voter has made a selection for a race or question, the voting system shall indicate the voter's choice and shall allow the voter to either confirm their selection and cast their vote or return to the race or question to change their selection. If the selection of a particular race or question is not confirmed and the vote is not cast, the voter is able to reenter the system and make their selection casting their vote for that particular race or question, or any other race or question that has not been previously voted.

Once the Voter PIN has been used to complete **all** races and/or any questions, associated with the election, it cannot be used again and further access shall not be granted to the telephone/internet voting service using that PIN.

Intelivote shall record the PIN and corresponding name of all electors who have voted. This **does not** provide information on who an elector has voted for.

The names of electors who have voted during the voting period will be provided to the Clerk electronically through the Intelivote system using the Clerk's assigned password. This report titled "Voter Participation Status" report will be created in an electronic file format suitable for electronic distribution and will only be done under the control and direction of the Clerk.

If requested in writing by a candidate(s) on the "Declaration of Proper Use of the Voters' List" Form LC10, the Clerk will provide a copy of the daily "Voter Participation Status" report. This information shall be made available to candidates through the Clerk's Office.

ELECTORS REQUIRING ASSISTANCE (SECTION 52 (1) 4)

The Election Official may permit an elector who needs assistance in voting to have such assistance as the Election Official considers necessary.

Oral Oath to Vote With Assistance

A voter who requires such assistance to vote may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to Vote With Assistance on the "Oral Oaths At Help Centre" Form LC24 and then assist and/or vote as directed by the voter. Any other person present must remove themselves until the voter finishes instructing the Election Official.

Oral Oath of Friend of Elector

In lieu of the Election Official assisting a voter, the voter may request that a friend accompany them to vote. Any friend who is permitted to vote shall be required to take the Oral Oath of Friend of Elector on the "Oral Oaths At Help Centre" Form LC24. No person shall be allowed to act as a friend of more than one voter at a Help Centre.

Oral Oath of Interpreter

Where the Election Official does not understand the language of a voter, an interpreter, provided by the voter, shall take the Oral Oath of Interpreter on the “Oral Oath At Help Centre” Form LC24, and shall translate the oaths as well as any lawful questions put to the voter.

DUPLICATE VOTER INFORMATION LETTERS

Duplication of names on the Preliminary List of Electors shall be investigated by the Clerk and/or Election Official(s) and all obvious duplicate names of individuals shall be deleted prior to the final preparation of the Voters’ List as certified by the Clerk. However, should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter(s) to the municipal Revision Centre and complete an “Application to Amend Voters’ List” Form EL15 to remove the duplicate name(s). All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.

Voter Information Letters returned to the Revision Centre shall have the PIN immediately disabled in the system so that the PIN cannot be used in the voting process. The opened Voter Information Letters will then be retained in a secure fashion and destroyed in the same manner as all other municipal election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

The Clerk and the Election Official(s) shall ensure a complete audit trail is maintained of all Voter Information Letters:

- a) that were sent to eligible voters;
- b) that were returned from the Post Office;
 - that were returned by an elector or other individual(s) either opened, or;
 - unopened but unused for voting purposes;
- c) that were set to a status that prevented them from being used to vote;
- d) that were re-issued to an eligible elector; and
- e) that were assigned by Election Officials to eligible electors that have completed “Application to Amend Voters’ List” Form EL15.

PIN PROCEDURES

Problems Accessing the System

Where an eligible voter has tried his/her PIN and has been unsuccessful in accessing the voting system, the Election Official will determine its status, and once verified:

- shall advise the voter that the PIN is valid and has not been used. The Election Official may suggest the voter try the PIN again using an alternate method (telephone vs. internet) or attend at the Help Centre to obtain assistance in voting.

- and they have determined that it has already been used, the voter can present themselves at the Revision Centre with proof of identity and residence as prescribed in *O. Reg. 304/13* and have an Election Official confirm that the elector's PIN has been used. If this is the case, follow the procedure outlined in the section titled, Revision/Help Centre, b) (ii).

Incorrect Information on Voter Information Letter

Where an eligible voter has received an incorrect voter PIN in terms of ward, if applicable, and/or school support, the voter can contact the Revision Centre and have the proper category applied to the existing PIN.

If the voter has used the PIN to vote, and the voter determines that the ward, if applicable, and/or school support is incorrect, and they have not voted those races, the voter can contact the Revision Centre and have the proper category applied to the existing PIN. The voter can then re-access the system and vote all races not yet completed.

The elector will be required to provide appropriate confirmation of eligibility and to complete "Application to Amend Voters' List" Form EL15.

New PIN(s)

New PIN(s) shall not be given out over the telephone or by mail. The voter must attend the Revision Centre with proof of identify and residence as prescribed in *O. Reg. 304/13* and complete the appropriate form.

RETIREMENT HOME OR INSTITUTION (SECTION 45(7))
