RFP Clarifications

- The maximum budget for this project is \$45,000
- To calculate the scoring for the pricing we use a formula where the lowest bid gets full points and then the other bids get a proportion of the points based on how far away they are from the lowest bid.
- For Appendices A, B, C, D and F, you can use your own templates as long as they contain all the information that we have asked for in those Appendices.

Yours Truly,

Shannon Baillon
Director of Community Services
