Please note the following changes, corrections, additions, deletions, information and/or instructions in connection with the Tender Package. Failure to acknowledge receipt of this Addendum as per Part "A" – Information to Bidders may render your submission non-responsive.

This addendum is to address the following clarification:

Question:

As per Part "A" – Information to Bidders, Section 5 – Tender Deposit, the paragraph reads, "Each Tender shall be accompanied by a certified cheque or Bid Bond in the amount of ten percent. At the bottom of the same paragraph it reads, "The Township shall require a certified cheque, in the amount of 10%, for each subsequent year of the contract.

Are we to accompany the tender submission with a bid bond or certified cheque or must it only be a certified cheque?

Answer:

The Tender Submission is to be accompanied with a certified cheque or Bid Bond.

Please note this is a standard tender clause. As there is no subsequent year for this contract, this portion of the clause does not apply.
