

AGE-FRIENDLY COMMUNITIES PUBLIC CONSULTATION
OCTOBER 31ST, 2016

PRIORITY ACTIONS, IMPLEMENTATIONS & LONG-TERM GOALS:

CATEGORY – TRANSPORTATION

Priority #	Strategies	Potential Partners	Deliverables	Timing
1	Follow up on Lanark County's Transportation Master Plan to determine what is applicable to promoting age friendly transportation services in Tay Valley.	County Townships	those aspects that are applicable	1-2 years
2	Implement paved or widened shoulders for pedestrians or those using golf carts etc. with priority on facilitating access to community hubs.	trail orgs adjacent townships		Dec 2017
2	Provide pedestrian and cycle infrastructure to promote active transportation with annual commitments to add 10km of paved or widened shoulders and new bus/carpool shelters.	Province (funding)	10km of widened shoulders + bus shelters	Dec 2017

PRIORITY ACTIONS, IMPLEMENTATIONS & LONG-TERM GOALS:

CATEGORY – TRANSPORTATION

Priority #	Strategies	Potential Partners	Deliverables	Timing
3	Ensure the Township actively pursues the VIA rail opportunity for high speed connections to Ottawa.	all levels - Prov. create hubs @ train stations - private business	Maberly-Perth train service; safe shelter	2 years
4	Provide a roving self-driving electric car.	Province	Car charging stations	when avail.
4	Improve streetscapes for safety and visibility at crossings.	Public Works, County	ID priority locations with public	Aug 2017
4	Make sure the township is allowing infrastructure that can take advantage of the most up to date transportation developments such as drone deliveries, Uber, self-driving cars, park and rides, carpooling.	adjacent township trails orgs	Roads edges marked clearly for self- driving vehicles	now

5	Provide garbage pick-up – range of possibilities required, not blanket approach.	non-profit service-private co. townships adjacent	Keep 1 dump open opt-in to pay, selective pick-up at door	within 1 year
---	----------------------------------------------------------------------------------	---------------------------------------------------	-----------------------------------------------------------	---------------

Additional priorities added during break-out session:

- Important for people to be able to get to the bus stop
 - Safe walking to the bus stop
 - Collector service to the bus stop
 - Have a safe comfortable place to wait
 - Tar and chipping edge of road has not been helpful because there is no white line on right hand side (needed for self-driving cars) & drops off precipitously
- ** Opportunity to draw on the township map the priorities for the community members
