RECREATION WORKING GROUP

The goal of the Recreation Working Group is to make activities available in the community, as cost effectively as possible, in a safe and fun environment.

Our sports programs are non-contact and based on the old-fashioned "pick up" game format where teams are formed based on attendance for that week. Games are played weekly, on a specified day. Each player is given equal play time, regardless of ability.

Rules:

- Children must be accompanied by an adult
- Proper equipment must be worn
- Team shirts must be returned at the end of the season
- Bring water and sunscreen (if applicable)
- Use of profane language, disrespect, or any disruptive behavior will not be tolerated
- Parents will be asked to support the decisions of the coaches and officials
- Concerns should be addressed to the Chair of the Recreation Working Group

Do you love to sing—in the shower, in the car, with others? If your answer is YES, why not join the **Tay Valley Choir**? This group of singers practice weekly and are directed and accompanied by Rebecca Worden and Mary Lou Carroll.

The Tay Valley Choir holds performances throughout the year including a spring and Christmas concert. It is not essential to be able to read music, though it is helpful! What is essential is to love to sing and to love music!

Practices are held Monday evenings rotating between the Maberly Community Hall and the Lanark Lodge from 6:00 pm to 7:30 pm.
