2021 Annual Report – Overview**Overview**

The Tay Valley Police Services Board’s “Protocol for Sharing Information” requires the Board to provide an annual report to Council in April of the following year for information.

Business Plan

The Tay Valley Police Services Board is required under Ontario Regulation 3/99 (Adequacy and Effectiveness of Police Services) to prepare a Business Plan. Up until 2017 the Board approved its own plan. With pending changes to the Police Services Act over the last few of years, instead of adopting its own Business Plan the Board has provided input into the OPP three-year strategic plans. The current plan is in place for the years 2020-2022. A copy of the OPP Strategic Plan is available at the Municipal Office or can be viewed on the Township's website.

Ontario Provincial Police Strategic Plan

The Ontario Provincial Police 2020-2022 Strategic Plan provides overall direction as the OPP evolve and modernize the policing services delivered to Ontario's communities. The OPP will continue to work on three strategic priorities: Our People, Our Work, Our Community.

Strategic Priorities

Our People: We will strive to support all members in achieving their professional and personal best.

Our Work: We will empower our members to ensure the best possible policing services are delivered to Ontarians.

Our Community: We will partner and build relationships with a shared vision for safety and well-being.

Protocols

The Ministry of Community Safety and Correctional Services has guidelines and has provided training sessions to Section 10 Boards in Ontario with respect to the roles and responsibilities of Boards under the Police Services Act and Regulations and has recommended that the Boards in conjunction with the OPP Detachment or Regional Headquarters define their relationships, responsibilities and expectations in formal written protocols. In areas where OPP detachments serve a number of Police Services Boards, the Ministry has recommended the development of standard protocols.

To date the Tay Valley Police Services Board has adopted a total of 9 protocols:

1. Use and Deployment of the Electronic Speed Sign
2. Implementation of a Three Year Business Plan
3. Monitoring the Performance of the Detachment Commander
4. Receiving of Regular Reports on Disclosures and Decisions
5. Administration of Complaints
6. Reporting of Major Incidents
7. Sharing of Information
8. Participation in OPP Business Plans
9. Selection of the Detachment Commander

In addition, the Board has developed four policies:

1. Records Management
2. Media Relations and Dissemination of Information
3. Remuneration and Personal Expenses
4. Objectives and Priorities for Police Services

Board Appointments

As per Section 27 of the *Police Services Act*, there shall be a police services board for every municipality that maintains a police force.

The board of a municipality whose population does not exceed 25,000 shall consist of the head of the municipal council or, if the head chooses not to be a member of the board, another member of the council appointed by resolution of the council (Council Rep); one person appointed by resolution of the council, who is neither a member of the council nor an employee of the municipality (Municipal Rep); and one person appointed by the Lieutenant Governor in Council (Provincial Rep).

The following persons were appointed as Members of the Tay Valley Police Services Board for the term November 30th, 2018 to November 30th, 2022 unless otherwise indicated:

- a) Council Member: Brian Campbell, Reeve
- b) Municipal Member: Neil Fennell
- c) Provincial Member: Vacant

The Provincial Member has remained vacant for the last few years as the Province anticipated that the changes to the Police Services Act and subsequent regulations would have been in place by now, and therefore have not made efforts to replace this position.

Consultation Activities

Lanark County Association of Police Services Boards

The Board continues to be involved with the Lanark County Association of Police Services Boards. This group is seen as an essential tool in both training and maximizing purchasing power. This group is not a legal binding group but a cooperative forum for discussion among Lanark County Police Services Boards and Community Policing Advisory Committees on common issues. The Joint Board meets on a quarterly basis but has struggled to do so in 2020 and into 2021 due to the pandemic.

Ontario Association of Police Services Boards (OAPSB)

The Board is a member of the OAPSB. Through this membership the Board receives regular updates on legislation, practices and procedures. Training is also provided at an Annual Conference.

By virtue of the Tay Valley Police Services Board membership with the OAPSB, this membership gives the Board a forum to cause resolutions to both Parliamentary law makers and other Statutes that require change or updates.

Ontario Association of Police Services Boards (OAPSB) – Zone 2

The Board is also a member of the OAPSB Zone 2. Through this membership the Board receives regular updates on legislation, practices, procedures and training.

Ontario Regulation 3/99, the Police Adequacy and Effectiveness Regulation requires on-going training in order to provide Police Service Boards the structure and tools they need to ensure delivery of adequate and effective policing services. Attendance at these sessions is important in order to obtain new information and to interact with other Boards in Eastern Ontario.

Tay Valley's Police Services Board Chair was also the Chair of Zone 2 in 2016, 2017, 2018, 2019, 2020 and 2021.

Policing Contract

The previous OPP Policing Contract with the Ministry of Community Safety and Correctional Services commenced in 2015 and expired at the end of 2019. It was the first contract under the new OPP Costing Model and Process. A current Contract was then adopted by Council for a period of six years from 2020 to 2025. The new Contract resulted in a savings for policing in the 2020 budget of \$16,909 in 2020 from what was budgeted in 2019 and a savings in the 2021 budget of \$13,325 in 2021 from what was budgeted in 2020.

OPP Traffic Initiatives for 2021

The electronic speed sign has been used to monitor areas and based on the results, the OPP are providing targeted enforcement.

In 2021 the Township and Board monitored the following locations:

- Glen Tay Road between #582 and Somerville Drive
- Glen Tay Road between #565 and #541
- Fallbrook Road near Pin #384
- Harper Road near Pin #1005
- Glen Tay Road South of Somerville

In 2021, there were no speeding concerns on the roads that were monitored.

Conclusion

On an ongoing basis and for the past 19 years the Tay Valley Police Services Board has focused on establishing an enforceable infrastructure through the development of protocols and reporting mechanisms that would foster greater transparency and accountability between the police, the police services board and the community. We remain committed to these primary goals alongside our Business Plan commitments. Our goal has been to provide the best community policing standards in our County.

The next couple of years will prove challenging as the Province requires police services to move towards establishing detachment boards versus local municipal boards. It is yet to be seen how the detachment board will liaise back and forth with the municipality.

All of which is respectfully submitted to Council by:

The Tay Valley Police Services Board:

Chair Neil Fennell, Municipal Appointee

Brian Campbell, Council Appointee

Vacant, Provincial Appointee
