CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

**2. Clarification of Documents**

Any clarification of the Township documents required by the Bidder, prior to submission, shall be directed to the Clerk. Any such clarifications so given shall not, in any way, alter the Township documents and the Bidder and the Township agree that in no case shall oral arrangements be considered.

No officer, agent or employee of the Township are authorized to alter, orally, any portion of these documents. During the period prior to submissions, alterations will be issued by the Clerk to Bidders as a written Addendum. In the submission, the Bidder shall list all Addenda that were issued and considered in the submission.

All questions shall be directed, in writing (by email) to the Clerk of Tay Valley Township.

All questions/discrepancies identified must be sent to the Township at least three (3) business days prior to the submission due date at 4:00 p.m.

Copies of all questions and answers and any addenda will be posted on the website no later than two (2) business days prior to the submission due date at 4:00 p.m.

**3. Contract Documents and Order of Precedence**

The contract documents shall consist of all the pages of the Tender documents, issued by the Township, and the Company's submission. Do not remove any pages from the Township Form.

These documents, and portions thereof, take precedence in the order in which they are named, notwithstanding the chronological order in which they are issued or executed.

The intent of the Contract is that the Company shall supply equipment and materials or services complete and suitable for the Township intended use.

None of the conditions contained in the Bidders standard or general conditions of sale shall be of any effect unless explicitly agreed to by the Township and set forth or specifically referred to therein.

**4. Addenda**

Bidders may be advised by addenda, of required additions, deletions or alterations in the requirements of the Tender documents. All such changes shall become an integral part of the Tender documents and shall be allowed for in arriving at the total submission price.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

**5. Tender Deposit**

Each Tender shall be accompanied by a certified cheque or Bid Bond in the amount of ten percent (10%) of the bid price payable to the Township, “Tay Valley Township”. This shall be returned within ten (10) days of Tender Opening to all bidders except for the successful and second placed bidder. In the case of the second placed bidder this shall be returned upon start of contract by successful bidder. In the case of the successful Tender, this shall be returned after successful completion of the Contract. If a deposit percentage results in a fraction, it must be rounded up to the nearest dollar. If applicable, in subsequent years, sixty (60) days prior to the start of the work, the Township shall require a certified cheque, in the amount of 10%, for each subsequent year of the Contract. Please complete the attached **Tender Deposit – Method of Return – Form 4**.

**6. Harmonized Sales Tax**

Harmonized Sales Tax (H.S.T.), or any other applicable taxes, will be paid **in addition** to the tendered price.

**7. Health and Safety**

The Bidder assumes full responsibility for conforming with all legislation regarding the safety of his/her employees and the public on this Contract and all notices required to comply with the legislation.

Accordingly, the Bidder shall:

- (a) Demonstrate establishment and maintenance of a health and safety program with objectives and standards consistent with applicable legislation.
- (b) Provide a copy of your Company’s Health and Safety Policy Statement, dated not later than **2021**, to be submitted with the Tender.
- (c) Provide a copy of the applicable WSIB Certificate of Clearance or equivalent (if the Bidder is from outside Ontario), to be submitted with the Tender.

Upon request, at any time, from the awarding to the completion of the Contract, submit proof of fulfillment of the above noted.

**8. Accessibility**

The Bidder shall provide a declaration with the Tender that they are compliant with the Accessibility for Ontarians with Disabilities Act and its Regulations. An example of a declaration is attached in **Part “D”**.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

**9. Bidder’s Checklist**

To assist Bidders with completing a response to this Tender, a Tender Checklist is included in **Part “D”**. The Checklist must be included in the Bidder’s submission.

**10. Withdrawal**

A Submission may be withdrawn at any time prior to the closing date and time at the Bidder’s discretion. Withdrawal notification must be in written form, signed and must be submitted to the Clerk. No fax, telephone calls or emails will be accepted. After the official closing date and time, all Submissions received shall be irrevocable.

**11. Public Opening**

Sealed Tenders, clearly marked as to the contents, on the forms supplied by the Corporation of Tay Valley Township (“the Township”), will be received, by the undersigned or his/her designated representative, at the Municipal Office, 217 Harper Road, Perth, Ontario, until **1:00 p.m.**, local time, as determined by the clock located on the computer in the reception area of the Municipal Office, on **Thursday, February 18<sup>th</sup>, 2021**.

**12. Tender Results**

The names of the Bidders and total bid prices will only be made available at the Tender Opening. After the Tender Opening, requests may be submitted to the Township for the results and only the names of the Bidders and total bid prices, as read out at the Tender Opening, will be given in the reply. Bid results will be posted on the Township Website at [www.tayvalleytwp.ca](http://www.tayvalleytwp.ca) within 48 hours of the Tender Opening.

**13. Bid Acceptance**

It shall be the policy of the Township that in any procurement of goods, services, facilities or construction invitations to submit a tender to the Township, the Township reserves the right to reject an offer to supply goods and/or services or Tenders presented in response to the Township procurement processes where the Township determines, in its sole and unfettered discretion, that the entity making the offer has performed poorly on any Township contract during the previous five-year period. Township Council may remove a Company’s name from consideration for a contract under this Policy, for a period of up to five (5) years, on the basis of documented poor performance or non-performance on a Township Contract.

Unless otherwise specified in these Tender documents, this Tender constitutes an irrevocable offer to provide the goods and/or services described herein for a period of ninety (90) calendar days from the closing date of the receipt of Tenders.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

The Bidder may be required to show, in terms of experience and facilities, evidence of its ability, as well as that of any proposed subcontractor, to perform the work by the specified delivery date.

The Township reserves the right to award by item, or part thereof, groups of items, or parts thereof or all items of the Submission, and to award Contracts to one or more Bidders submitting identical prices, to accept or reject any Submission in whole or in part; to waive irregularities or omissions. If in so doing, the best interests of the Township will be served. No liability shall accrue to the Township for its decision in this regard.

The acceptance of any Submission is subject to appropriate funding acceptable to the Township.

The placing in the mail or delivery of a notice of award to the Company address, given in the Submission, shall constitute notice of acceptance of the Contract.

**14. Insurance**

The successful Company shall provide the following insurance:

General Liability Insurance

The General Liability policy shall be underwritten by an insurer licensed to conduct business in the Province of Ontario and include but not be limited to the following:

- a) Third party bodily injury, personal injury and property damage, to an inclusive limit of not less than \$5,000,000 per occurrence.
- b) The Township shall be added as an additional insured.
- c) The policy shall contain a provision for cross liability and a severability of interest clause.
- d) The policy shall contain a provision for contractual liability – oral and written
- e) The policy shall provide the Township with 30 days' notice of cancellation or nonrenewal.
- f) Non-owned Automobile Coverage for a limit of not less than \$5,000,000 including contractual non-owned coverage.
- g) Contingent Employer's Liability.
- h) Broad Form Property Damage.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

Contractors’ Equipment Insurance

“All risks” contractors’ equipment insurance covering construction machinery and equipment used by the Contractor for the performance of the Work, excluding boiler insurance, shall be in a form acceptable to the Township and shall not allow subrogation claims by the insurer against the Township. The policies shall be endorsed to provide the Township with not less than 30 days’ notice, in writing, in advance of cancellation, change or amendment restricting coverage. Subject to satisfactory proof of financial capability by the Contractor for self-insurance of his equipment, the Township agrees to waive the equipment insurance requirement.

Pollution Liability Insurance

Pollution Liability Insurance shall be in the joint names of the Contractor and Tay Valley Township with limits of no less than \$5 million per occurrence, an aggregate of not less than \$5 million in any policy year, and a deductible not to exceed \$5,000, such insurance to be maintained from the date of commencement of the Work until one year from the date of Substantial Performance of the Work. Such insurance shall contain no exclusion of any kind relating to asbestos or asbestos-related operations in conjunction with the Work.

Automobile Liability Insurance

The Company shall provide Automobile liability insurance in respect of licensed vehicles with limits of not less than \$5,000,000.00 inclusive per occurrence for bodily injury, death and damage to property, covering all licensed vehicles owned or leased by the Contractor, and endorsed to provide the Township with not less than 30 days’ notice, in writing, in advance of any cancellation, change or amendment restricting coverage.

Other Requirements

The Company acknowledges that he/she is an independent Contractor and shall, indemnify, protect and save harmless The Corporation of Tay Valley Township, its agents and employees from any and all damages, liabilities and claims of whatsoever nature arising out of the furnishing by the Company, its agents or employees of the materials and/or performing of the services covered by this Contract.

The Company remains responsible for maintaining the required insurance even if the certificates are never exchanged and/or requested.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

Indemnification Clause

The successful bidder shall defend, indemnify and save harmless The Corporation of the Township of Tay Valley and their elected officials, officers, and employees from and against any and all claims, actions, losses, expenses, fines, costs (including legal costs), interest or damages of every nature and kind whatsoever, including but not limited to bodily injury or to damage to or destruction of tangible property including loss of revenue arising out of or allegedly attributable to the negligence, acts, errors, omissions, whether willful or otherwise by the bidder, its agents, officers, employees, or others who the bidder is legally responsible. This indemnity shall be in addition to and not in lieu of any insurance to be provided by the Company in accordance with this agreement.

**15. Bonding**

Performance Bond

A Performance Bond in the amount equal to one hundred percent (100%) of the Total Tendered Price will be required on acceptance of the Contract and prior to the commencement of any work. The Bond will be furnished by a satisfactory surety company with head office in Canada or authorized to carry on business in Canada.

The Performance Bond shall guarantee workmanship and materials as well as all maintenance required for a period of twelve (12) months from the date of acceptance of the works.

Labour and Material Bond

A Labour and Material Payment Bond satisfactory to the Township shall in the amount of fifty percent (50%) of the Total Tendered Price for a one-year period and issued by a satisfactory surety company with head office in Canada or authorized to carry on business in Canada.

Maintenance Bond

A Maintenance Bond satisfactory to the Township in the amount of one hundred (100%) of the Total Tendered Price for a two-year period and issued by a satisfactory surety company with head office in Canada or authorized to carry on business in Canada.

**16. Failure to Enter into an Agreement**

In addition to all of the Township's other remedies, if a selected Bidder fails to execute the accepted agreement or satisfy any other applicable conditions within ten (10) days of notice of selection, the Township may, in their sole and absolute discretion and without incurring any liability, approve an extension (*should agreement changes be requested*), rescind the selection of that Bidder and proceed with the selection of another Bidder.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

**17. Assignment**

The Company shall not assign the Contract, or any portion thereof, without the prior consent of the Township.

If the Township agrees to the assignment of the Contract, all Assignment Agreements will be prepared, at the sole cost of the Company, and under no circumstances will the Township be responsible for these costs.

**18. Laws and Regulations**

The Company shall comply with relevant, federal, provincial and municipal statutes, regulations and by-laws pertaining to the work and its performance. The Company shall be responsible for ensuring similar compliance by its suppliers and subcontractors.

The Contract shall be governed and interpreted in accordance with the laws of the Province of Ontario.

**19. Default by Company**

If the Company commits any act of bankruptcy or if a receiver is appointed on account of its insolvency or in respect of any of its property or if the Company makes a general assignment for the benefit of its creditor, then, in any such case, the Township may, without notice, terminate the Contract.

If the Company fails to comply with any request, instruction or order of the Township or fails to pay its accounts or fails to comply with or persistently disregard statutes, regulations, by-laws or directives or relevant authorities relating to the work or fails to prosecute the work with skill and diligence or assigns or sublets the Contract without the Township's written consent or refuses to correct defective work or is otherwise in default in carrying out its part of any of the terms, conditions and obligations of the Contract, then, in any such case, the Township may, upon expiration of ten (10) days from the date of written notice to the Company, terminate the Contract.

Any termination of the Contract by the Township, as aforesaid, shall be without prejudice to any other rights or remedies the Township may have.

If the Township terminates the Contract, it is entitled to:

- Take possession of all of the work in progress and finish the work by whatever means the Township may deem appropriate under the circumstances.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

- Withhold any further payments to the Company until its liability to the Township can be ascertained.
- Recover from the Company loss, damage and expense incurred by the Township by reason of the Company’s default (which may be deducted from any monies due or becoming due to the Company, any balance to be paid by the Company to the Township).

**20. Contract Cancellation**

The Township shall have the right, which may be exercised from time to time, to cancel any uncompleted or unperformed portion of the work or part thereof. In the event of such cancellation, the Township and the Company shall negotiate a settlement.

The Township shall not be liable to the Company for loss of anticipated profit on the cancelled portions of the work.

**21. Responsibility**

The Township shall not be responsible for any liabilities, costs, expenses, loss or damage incurred, sustained or suffered by any Bidder prior to, subsequent to, or by reason of the acceptance or the non-acceptance of a Tender save as provided in the Contract. The Township reserves the right to reject any or all Tenders and to waive formalities as the interest of the Township may require without stating reasons, therefore, and the lowest or any Tender will not necessarily be accepted.

**22. Payments**

The Company shall invoice the Township monthly, for services and materials provided. The Township shall pay said invoice within thirty (30) days of receipt of the invoice.

The successful Bidder will be required to complete the applicable paperwork to facilitate payment via Electronic Funds Transfer (EFT). This paperwork will be provided to the Bidder by the Township after the Contract is awarded.

The Township shall have the right to withhold, from any sum otherwise payable to the Company, such amount as may be sufficient to remedy any defect or deficiency in the work, pending correction of the same.

CONTRACT #2021-PW-004**

**PART “A” – INFORMATION TO BIDDERS**

**23. Municipal Freedom of Information**

Any personal information collected by or on behalf of the Township under this Tender is subject to the *Municipal Freedom of Information and Protection of Privacy Act*. The information provided to the Township may be used to confirm certain information provided in the submissions for this project. The person submitting this Tender, consents to such collection and use of the information. The person submitting this Tender acknowledges the Tender is a public document and that the information contained in the Tender may become public and consents to the release of that information. By responding to this Request for Tender, respondents waive any challenge to the Township decision in this regard. Any questions regarding the collection, use, or disclosure of the information should be directed to the Clerk.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “B” – GENERAL PROVISIONS**

The contractor is hereby notified that OPSS. MUNI 100 General Conditions of Contract, dated November 2018, shall govern except as amended or extended herein. The OPSS. MUNI 100 General Conditions of Contract have not been reproduced as part of these Contract documents. It will be the responsibility of the Contractor to obtain current copies of these documents.

**1. Ability and Experience of Bidders.**

The Township reserves the right to reject any tender where satisfactory evidence of sufficient capital, plant and experience to successfully undertake and complete the work in the specified time, is not furnished by the Bidder where requested by the Township. This evidence shall be provided by completing the following statements:

Statement ‘A’ – Bidder’s Experience (see Form of Tender)

As an integral part of the Form of Tender, the Bidder shall list three examples of their experience in work of a similar nature to that being tendered, which it has successfully completed in the last three years.

Statement ‘B’ – List of Proposed Subcontractors (see Form of Tender)

As an integral part of the Form of Tender, the Bidder shall provide the name, the category of work and the address of all subcontractors proposed in this Tender.

**2. Co-ordination Meetings**

The Contractor shall attend such meetings with the Township as may be required to co-ordinate services affected by the Contract and routinely review its progress. A pre-construction meeting shall be scheduled to be held within 10 days of notification of acceptance of the Tender by the Township.

**3. Hours of Work**

The Contractor’s operations under the Contract will be restricted by daylight hours, Monday to Friday half an hour after sunrise and half an hour before sunset. No work will be permitted on weekends or statutory holidays, unless otherwise approved.

**4. Utilities**

The Contractor shall be responsible for the protection and locating of all utilities at the job site during the time of construction. The Township will be responsible for the relocation of utilities where required. However, no claims will be considered which are based on delays or inconvenience resulting from the relocation not being completed before the start of this Contract.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “B” – GENERAL PROVISIONS**

**5. Guaranteed Maintenance**

The Contractor shall guarantee and maintain the entire work called for under this Contract for a period of twenty-four (24) months in accordance with Section GC 7.16 of OPSS General Conditions (MUNI. 100).

The Contractor shall make good in a permanent manner, satisfactory to the Township, any and all defects or deficiencies in the work, both during the construction and during the period of maintenance as aforesaid. The Contractor shall commence repairs on any work identified as defective under this clause within 48 hours of receipt of notice from the Township. The severity of defective work shall be identified by and evaluated at the discretion of the Township.

In the event the Contractor refuses or is unable to carry out the repairs on defective work, the Township shall use the holdback funds to have the remedial work completed to the Township's satisfaction.

**6. Restrictions on Open Burning**

Open fires will not be permitted within the limits of this Contract. Brush and debris must be disposed of in compliance with the requirements specified elsewhere for Management and Disposal of Excess Material.

**7. Contract Time and Liquidated Damages**

Progress of the Work and Contract Time

Forthwith upon acceptance of this Contract, the Contractor shall provide a “Contractor's Schedule of Work” to the Township.

The Schedule shall include the proposed methods of construction and the name of a responsible individual from the Contractor's firm who can be contacted in the event of emergencies. The Contractor must prepare and submit its schedule to the Township within ten (10) calendar days of Contract acceptance and prior to start of construction.

The Contractor shall accomplish substantial completion of this Contract as defined in Section GC8.02.04 of the OPSS General Conditions (MUNI. 100) **on or before July 30, 2021.**

If the Contract time allowed by the above-noted date is not sufficient to permit completion of the work by the Contractor working a normal number of hours each day or week on a single daylight shift basis, it is expected that additional and/or augmented daylight shifts will be required throughout the life of the Contract to the extent deemed necessary by the Contractor to insure that the work will be completed within the

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “B” – GENERAL PROVISIONS**

contract time specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices bid for the various items of work and no additional compensation will be allowed.

If completion of the project is delayed beyond the time specified in the Contract, and the delay is not excused by the Township, the Contractor shall pay to the Township the sum of \$500 per day for each calendar day during which completion of the project is delayed beyond the time specified for completion.

**8. Dust Control**

As part of the work required under the scope of work of this Contract, the Contractor shall take such steps as may be required to prevent dust nuisance resulting from its operations either within the right-of-way or elsewhere or by public traffic where it is the Contractor's responsibility to maintain a roadway through the work.

**9. Use of Sub-Contractors**

The Contractor agrees to submit a list of any Sub-contractors who will be carrying out any part of this Contract. The list shall show the names of the proposed sub-contractors and for what work each sub-contractor will be responsible for. The Township have the right to reject any of the sub-contractors so named. In this event, the Contractor shall arrange to have the proposed work done by such other sub-contractors as may be approved by the Township.

Should the Contractor cease operation, under no circumstances shall sub-contractors be allowed to continue the work on the site unless an authorized representative of the Contractor is present on the site at all times. The Contractor shall notify the Township, in writing, of the names and positions of the person or persons so representing the Contractor.

**10. Traffic Control and Construction Signs**

In accordance with Section GC 7.06 of OPSS General Conditions (MUNI. 100), the Contractor is responsible for the supply, erection, maintenance and subsequent removal of all temporary traffic controls, including signs, lights, barricades, delineators, cones, etc., required for the project.

Traffic controls shall be provided in accordance with the latest edition of the Ontario Traffic Manual, Temporary Conditions, Book 7.

Traffic controls shall be operational before work affecting traffic begins.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “B” – GENERAL PROVISIONS**

**11. Maintenance of Traffic**

The Contractor shall maintain all pre-construction traffic lanes open for traffic at all times except when lane closures are required to allow for construction operations as approved by the Township in writing. Only single-lane closures shall be permitted.

Vehicular and pedestrian access shall be maintained to all properties abutting this Contract at all times.

**12. Storage Areas**

The Contractor shall obtain the approval of the Township prior to designating areas within the road allowance for storage of their equipment and materials for housing.

**13. Occupational Health and Safety Act – Designated Substances**

The Contractor shall be responsible for determining the presence of designated substances on the sites within the limits of this Contract in accordance with the requirements of Section 30 of the *Occupational Health and Safety Act*. The Contractor shall identify and report any designated substances determined to be present to the Township and ensure that all sub-contractors performing work under the Contract have received a copy of the report.

The Contractor shall comply with the governing Ministry of Labour regulations respecting protection of workers, removal, handling and disposition of the designated substances determined to be present with regards to this Contract. All related costs shall be deemed to be included in the appropriate tender items.

**14. Workplace Hazardous Material Information System (WHMIS)**

Prior to the commencement of work, the Contractor shall provide to the Township a list of those products controlled under WHMIS which it expects to use on this Contract. Related Safety Data Sheets shall accompany the submission. All containers used in the application of products controlled under WHMIS shall be labeled.

The Contractor shall notify the Township in writing of changes to the list and provide the relevant Safety Data Sheet.

**15. Spills Reporting**

Spills or discharges of pollutants or contaminants under the control of the Contractor, and spills or discharges of pollutants or contaminants that are a result of the Contractor's operations that cause or are likely to cause adverse effects shall

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “B” – GENERAL PROVISIONS**

immediately be reported to the Township. Such spills or discharges and their adverse effects shall be as defined in the *Environmental Protection Act*.

All spills or discharges of liquid, other than accumulated rainwater, from luminaries, internally illuminated signs, lamps and liquid type transformers under the control of the Contractor, and all spills or discharges from this equipment that are a result of the Contractor's operations shall, unless otherwise indicated in the Contract, be assumed to contain PCB's and shall immediately be reported to the Township.

This reporting will not relieve the Contractor of its legislated responsibilities regarding such spills or discharges.

**16. Protection of Water Quality**

At all times, the Contractor shall maintain existing stream flows and shall control all construction work so as not to allow sediment or other deleterious materials to enter streams.

No waste or surplus organic material, including topsoil, is to be stored or disposed of within 30 meters of any watercourses. Run-off from excavation piles will not be permitted to drain directly into watercourses but shall be diffused onto vegetative areas a minimum of 30 meters from the watercourse. Where this measure is not sufficient or feasible to control sediment entering the watercourses, sedimentation traps or geotextile coverage will be required.

If dewatering is required, the water shall be pumped into a sedimentation pond or diffused onto vegetated areas a minimum of 30 meters from the watercourses and not pumped directly into the watercourses.

No machinery shall enter the creek bed of any watercourse. Movement of construction equipment in the vicinity of any creeks shall be limited to the minimum required for construction.

The Contractor shall not carry out equipment maintenance or refueling or store fuel containers within 100 meters of any watercourse. The Contractor shall not stockpile construction debris or empty fuel/pesticide containers within the Contract limits.

**17. Mailboxes**

The Contractor shall maintain access to mailboxes at all times. In the event that mailboxes are damaged as a result of construction activities or any other activity related to the execution of this Contract, the Contractor will be responsible for replacement at no additional cost.

**PART “B” – GENERAL PROVISIONS**

**18. Private Entrances**

The Contractor is responsible for ensuring private entrances affected by the scope of work within this Contract are restored to a reasonable gradient with the elevation of the new road surface.

**19. Endangered Species**

It is the responsibility of the Contractor to ensure the Protection and Recovery of Endangered Species as set out in the *Endangered Species Act, 2007*.

**20. Sampling and Testing**

Sampling and testing to be performed as per OPSS 304 at the expense of the Contractor.

**21. Prevention of Damage**

The failure of the Township to order necessary precautionary measures, protective works or any other requirements shall not relieve the Contractor of the responsibility for the prevention of damage to the project, buildings or other surface or sub-surface structures, or for accidents to persons, whether employed on the project or not, which might result from such failure to install, place or use such precautionary measures, protective works or other precautionary measures, protective requirements shall not relieve the Contractor from any of its responsibilities under this Contract.

**22. Emergency and Maintenance Measures**

Wherever the construction site is unattended by the general superintendent, the name, address and telephone number of a responsible official of the Contractor shall be provided to the Township. This official shall be available, at all times, and have the necessary authority to mobilize workmen and machinery to take any action, as directed by the Township, in case emergency or maintenance measures are required, regardless of whether the emergency or requirement for maintenance was caused by the Contractor's negligence, act of God or any cause whatsoever.

Should the Contractor be unable to carry out immediate remedial measures required, the Township will carry out the necessary repairs, the cost of which shall be charged to the Contractor.

CONTRACT #2021-PW-004**

**PART “C” – SPECIAL PROVISIONS**

**ITEM A5  
FOG SEAL**

**1.0 SCOPE**

This special provision covers the requirements for the placement of a bituminous fog seal to the Single and Double Surface Treatments.

**2.0 REFERENCES**

This special provision refers to the following standards, specifications or publications:

**Ontario Provincial Standards Specifications, General:**

OPSS 180 Management of Excess Materials

**Ontario Provincial Standards Specifications, Material:**

OPSS 1103 Emulsified Asphalt

**3.0 DEFINITIONS**

Fog Seal: is a light application of diluted, slow setting, emulsified asphalt that is applied to an existing pavement surface.

**4.0 DESIGN AND SUBMISSION REQUIREMENTS**

The Contractor shall submit, in writing, notification to the Contract Administrator of the scheduled date of the application 72 hours prior to the application of the fog seal.

The Contractor shall provide the Contract Administrator the technical data sheets and the material safety data sheets of the products 14 days prior to the application of the fog seal.

**5.0 MATERIAL**

**5.01 Fog Seal**

The surface applied fog seal shall be “Clean Bond Coat” supplied by McAshalt Industries Limited, or approved equivalent, and shall conform to OPSS 1103.

**6.0 EQUIPMENT**

For main line applications, fog seal shall be applied using self-propelled or tow-along distributors capable of applying the product at the specified rate and in a continuous and uniform manner both longitudinally and transversely for the full lane width. The distributors shall be equipped with a volume-metering system of sufficient sensitivity to measure the quantity of fog seal dispensed, measurable to four or five litres.

**THE CORPORATION OF TAY VALLEY TOWNSHIP  
REHABILITATION AND SURFACE TREATMENT OF UPPER SCOTCH LINE  
CONTRACT #2021-PW-004**

**PART “C” – SPECIAL PROVISIONS**

**7.0 CONSTRUCTION**

**7.01 General**

As part of the work under this tender item, the Contractor shall supply and apply the fog seal at all locations specified in this Contract's Bid Table.

**7.02 Operational Constraints**

The fog seal shall be applied only when the atmospheric temperature is at least 10°C and rising and the weather is free of fog or rain and there is no forecast of temperatures below 0°C within 24 hours from the time of application.

Traffic, including construction traffic, shall be kept off the fog seal until the material has fully set to prevent damage to the surface and vehicles.

**7.03 Trial Area**

A trial area of 100 m in length and one lane wide shall be placed at the commencement of the fog sealing operation to demonstrate the ability to produce fog sealing in conformance with this specification. Within 1 hour of placement, the Contract Administrator shall inspect the fog seal for conformance. The trial areas shall be repeated until the fog sealing meets the requirements of this specification. The location of the trial area shall be approved by the Contract Administrator.

**7.04 Application**

The temperature of the bituminous material at the time of application shall be as per manufacturer's recommendations. If recommendations are not available, the temperature of the material shall not be less than 20°C and not more than 70°C.

The bituminous material shall be diluted with water, 50% by volume, to improve the material application and distribution characteristics.

The diluted emulsion shall be applied at the rate of no less than 0.45 L/m<sup>2</sup> and no more than 0.70 L/m<sup>2</sup>.

The use of clean sand as a blotter, that meets the requirements of Class 3 in Table 1 of OPSS 1106, is permitted, if required.

CONTRACT #2021-PW-004**

**PART “C” – SPECIAL PROVISIONS**

**8.0 QUALITY ASSURANCE**

**8.01 Acceptance and Rejection**

The Contract Administrator shall determine the acceptability of the fog seal based on the appearance of the application and recommendations provided by the manufacturer. All visually defective material or work shall be rejected by the Contract Administrator. Such defective material and work shall be fixed by the Contractor at no extra cost to the Contract.

**9.0 MEASUREMENT FOR PAYMENT**

**9.01 Actual Measurement**

Measurement of the fog sealing applied shall be by the area in square meters.

**10.0 BASIS FOR PAYMENT**

**10.01 Fog Seal - Item**

Payment at the Contract Price for the above tender item shall be full compensation for all labour, equipment and materials to complete the work.

All costs associated with repairing and replacing unacceptable trial areas shall be borne by the Contractor.

CONTRACT #2021-PW-004**

**PART “C” – SPECIAL PROVISIONS**

No additional measurement for payment shall be made for the dewatering, sediment and erosion control, excavation, removal and disposal of the existing culverts, excavation for the frost treatments and supply and placement of new granular materials for the installation of the new culvert and frost taper. The unit price per metre for the installation of all pipe culverts shall be inclusive.

No additional measurement for payment shall be made for supply and installation of geotextile for the couplers or where wet conditions are encountered.

**421.10        Basis of Payment**

*Subsection 421.10 is amended by deleting its contents and replacing them with the following:*

Payment at the Contract price for the type and size of pipe culvert specified will be full compensation for all labour, equipment and materials to do all earth excavation for bedding and backfill including frost taper and any earth excavation for concrete appurtenances or end sections, to remove pavement, except where there is a separate item for pavement removal which overlaps pavement removal required for culvert placement, to carry out pipe installation, to place and compact cover material, backfill and bedding, to dispose of surplus excavated materials and to carry out all sheathing, shoring and dewatering as required.

Granular A for bedding and frost taper will be paid under the Granular A item.

Restoration beyond the shoulder and rounding must include 150 mm topsoil on slopes, hand seeding of this top soiled area and rip rap the disturbed areas of the inlet and outlet ditches.

Pipe culverts must be set on grade having a camber of not less than one half of one percent times the length of pipe unless set out elsewhere in the Contract.
