**REEVE'S 2026 OPERATING AND CAPITAL BUDGET**Overview

The Township's mission is "to deliver efficient and effective services for the benefit of residents, visitors, and businesses", with the following values: respectful, accountable, and future focused.

Impact to the Taxpayer

The impact of this year's draft budget proposes a 7.46% tax levy increase, with an estimated tax rate increase of 6.81% after growth. The Township tax rate change will be determined when the assessment role is received in November.

As shown on the "Summary" page the levy increase is comprised of:

- 0.93% (\$70,790) increase in contributions to reserves (4%),
- 4.15% (\$316,493) increase in OPP contract, and
- 2.38% (\$180,745) operational increase.

The operational increase, that allows the Township to provide the same services and levels of service as in 2025, can be summarized as follows:

- OPP increase <i>estimated</i>	\$316,493
- Fire Board increases (TVT share)	\$ 52,161
- Library Board increases (TVT share)	\$ 10,785
- Conservation Authorities (TVT share) <i>estimated</i>	\$ 3,934
- Recreation Cost Sharing Agreement <i>estimated</i>	\$ 10,000
- Wages & Benefits increases	\$ 90,795
- Additional FTE position	\$116,325
- Insurance <i>estimated</i>	\$ 5,650
- Supplies & Materials (volunteer dinner & gifts, postage, sand & salt)	\$ 22,250
- OMPF additional funding	(\$87,100)
- Other Revenue increases (building permits, fees, etc.)	(\$55,614)
- Net of all other changes	\$ 11,559
TOTAL	<u>\$497,238</u>

The assessment rate has been frozen again for the fifth year in a row (same amounts as in 2020, 2021, 2022, 2023, 2024, and 2025 unless property improvements have occurred). This is due to the Provincial government's decision to postpone phase-in due to COVID-19. Some increases are anticipated from new builds and from property

improvements (i.e. growth). However, those specific numbers will not be known until end of November/early December as that is when MPAC provides that information to municipalities in the form of the new roll.

The 7.46% results in an increase of approximately \$126 for a home with an assessed value of \$300,000.

The total 2026 tax requirement of \$8,187,368 is \$568,028 more than was required in 2025. It is important to note that a 1% increase in levy equates to approximately \$76,193 in additional revenues for Tay Valley.

Reading the Budget

For ease of reference, a summary of the increases and decreases has been provided and can be found in two spots. One, on the “2026 Budget - Impacts on Levy” page, which shows the increases and decreases by function (i.e. salary, contracted services, etc.) and two, on the “2026 Budget – Impacts by Department” page, which shows the increases and decreases summarized by department and sub-department (i.e. Council then by Elections, etc.).

The “Expenses” and “Revenues” details (i.e. line by line) have also been highlighted to reflect the increases/decreases from the prior year’s budget (a table is in the top right-hand corner of each page detailing what the colour coding means).

Capital

The impact of the current Capital Projects is reflected in the estimated year-end balances of the Township Reserves (see Reserves page). In order to be sustainable, the Township is required to increase the annual contribution to these reserves or find alternative revenue sources. A listing of all proposed 2026 Capital Projects is found on the “Capital” page and offers a description of each project.

The 2026 Draft Capital Budget includes \$2,013,790 for infrastructure, asset replacements, and committed or mandatory projects. The capital and special projects are funded primarily by reserves and grants. All projects should be funded from reserves and grants as long as the contributions to reserves continue. The Capital Budget is based on the 10-year Capital Plan.

Project		Description of Project:
MANDATED AND COMMITTED PROJECTS		
Official Plan Review - comprehensive growth management	35,000	The Comprehensive Growth Management Study will determine the optimal distribution of the population allocation the Township will receive from the County as a result of their Official Plan update.
Zoning By-Law Update	28,700	The Zoning/Official Plan Reserve is used to hire consultants to assist the Planner in preparing an Official Plan update every five years followed by a Zoning By-Law update within three years of the adoption of the revised Official Plan.
Economic Development & Tourism Action Plan	52,000	To retain a consultant to assist the Township in developing an Economic Development and Tourism Action Plan that will direct the Township's efforts over the next five to ten years.
Harassment Policy Update	10,000	The Township is currently not compliant. The policy needs to be updated, including conducting a workplace risk assessment, and then staff and Council trained on that new policy, as well as processes and templates established, then an annual review must occur. Staff will work with legal counsel on this project.
Operations Layout for Waste Site	40,000	As noted in the Waste Management Master Plan, this project includes hiring a consultant to design a new layout for the operations at the Glen Tay Waste Site, either at its current location or at a new location off-site. The project will include public consultation.
Asset Management Plan (AMP)	18,500	This will ensure the Township continues to update and monitor its Asset Management Plan (AMP) and specifically update its software system that contains the asset registry. This is done in conjunction with PSD/CityWide (Township's Asset Management consultants).
FCM Municipal Office Retrofit Feasibility Study (50% grant funded)	33,100	Per report #PW-2025-11; Grant funded project to create a roadmap of converting the office to net-zero.
ERP - Financial System	327,600	Per report #FIN-2025-08; The current financial system is end of life and a replacement is scheduled in 2026 with a go live date of January 1, 2027.
Total Mandated and Committed Projects	544,900	
HEALTH - SAFETY - ENVIRONMENTAL PROJECTS		
Waste Site new wells *provisional - as needed basis	10,000	Included in the budget if additional wells are required as per recommendations from the Annual Reports. If no additional wells are required, the funds remain in the reserve.
Additional Compactor at GTWS	47,500	Deferred from 2023. An additional compactor is required at the Glen Tay Waste Site (GTWS) due to growth. The additional compactor will replace one of the 40-yard open top bins. The new compactor will not be ordered until a final decision is made regarding the layout at the GTWS.
H. Mather Municipal Drain Project	7,500	Work involves cleaning out portions of the H. Mather Municipal Drain, which is located in the northern corner of former Bathurst Township. The Drainage Superintendent (DS) will be completing all required work (meetings with residents, tendering and construction and inspection). A Council presentation was made by the DS in 2024 regarding Municipal Drains and the municipality's and landowners responsibility. The exact cost for the Municipal portion of the project is estimated at this time and will be confirmed once the Tender is complete and the schedule is updated. Phase 1 is tentatively scheduled to be completed in 2025.
Total Health-Safety-Environmental Projects	65,000
